ENVIRONMENTAL POLICY STATEMENT

Computer Power Protection Sales Ltd recognise that all products and services generate environmental impacts and we are committed to protect the environment and the prevention of pollution caused as a result of our business.

A handwritten signature in black ink, appearing to be "Paul Anderson", written over a light grey rectangular background.

Paul Anderson

Managing Director

We are dedicated to maintaining the internationally recognised environmental standard ISO14001 and continually seek to improve performance through increased efficiency, reduced waste and cutting-edge innovation. We set and review objectives at regular intervals. Compliance with relevant environmental legal and other requirements is an integral part of our environmental management system and provides an excellent indication to shareholders, regulators, employees, the local authority, suppliers and the surrounding community of the Company's dedication to continual improvement.
